ENGINE WARRANTY

1. Before installing the assembly in a vehicle, a new water pump, thermostat, rear main seal, belts, and hoses must be installed. Failure to do so will void the extended warranty.
2. The warranty covers the engine block, cylinder heads, valves, camshafts, connecting rods, bearings, pistons, rings, oil pump, crankshaft, rocker arms, lifters, and other internal components.
3. The extended warranty DOES NOT COVER fuel injection parts, water pumps, all electrical parts, hoses, lines, intake and exhaust manifolds, oil pan, valve cover, timing cover, alternator, starter, wire harness, and gaskets.
4. The warranty covers the following defects: engine knock, excessive smoke, spun bearings, head gasket issues, and problems with pistons or the block.

TRANSMISSION WARRANTY

1. Adams Auto Salvage requires the customer to thoroughly flush the transmission cooling system, replace all seals and gaskets, fill the transmission with the manufacturer’s recommended fluid to proper level, and reprogram the transmission as necessary. Failure to do so voids the extended warranty.
2. Slippage, shifting failure, and bearing noise are covered under the extended warranty.
3. Customers must provide proof of proper installation and fluids to Adams Auto Salvage if requested.
